Oracle University Announces Harbinger Consulting Group (HCG) As New Partner in Upper Midwest for Oracle Education Solutions

Minneapolis, MN, June 2009 - Oracle University is pleased to announce its newly enhanced relationship with Certified Partner, Harbinger Consulting Group (HCG). Minnesota-based HCG is a leading provider of Hyperion training, and joins the Oracle Approved Education Center (OAEC) program in North America. The OAEC program is comprised of a small number of carefully chosen technical training companies responsible for delivering top quality Oracle training.

Oracle University is also pleased to announce an education reseller partnership with HCG. This tightly integrated cooperation ensures that HCG will be able to assist their customers in developing training plans for their employees. "We are very excited about our strengthened partnership with Oracle," says AnneMarie Klimek, Vice President at HCG, "and the opportunities this presents for us to leverage our years of Hyperion expertise and become Oracle's preferred resource in the upper Midwest for Oracle education solutions."

Together, Oracle University and Harbinger Consulting Group are here to support the training needs of their customers. Their shared mission is to provide you with end-to-end education solutions that meet your unique education requirements and exceed your expectations.
