FOR IMMEDIATE RELEASE

HCG Achieves Oracle Certified Partner Status

Minneapolis, MN June 18, 2008 - Harbinger Consulting Group (HCG), an Oracle Hyperion education provider, consulting partner and value added reseller announced today that it has achieved Oracle certified partner status within the Oracle Partner Network (OPN).

HCG has been an active member of the OPN since Oracle acquired Hyperion Solutions in April, 2007. HCG achieved this status upon demonstrating superior product knowledge, technical expertise and a commitment to supporting Oracle BI applications and products. HCG joins a select group of companies recognized by Oracle for their proven ability to deliver leading edge Oracle solutions and outstanding client service.

"HCG has always been determined to exceed our client's expectations", stated VP of Business Development, Joe Axe, "With this achievement in upgraded partner status, our clients, partners and vendors will ultimately benefit from our increased participation and alliance within the Oracle Partner Network. We look forward to utilizing the added resources and privileges available with this relationship."

About HCG

Harbinger Consulting Group is a leading provider of Oracle's Hyperion Essbase training, consulting and software. Headquartered near Minneapolis, Minnesota, their Business Intelligence solutions enable companies to optimize business performance, including the ability to analyze data, budget, plan and forecast, generate reports and obtain maximum returns of their technology investments. For more information about HCG visit www.harbinger-group.com.

About the Oracle Partner Network

The Oracle Partner Network is a global business network of selected companies that deliver innovative enterprise software solutions based on Oracle software. Through access to Oracle's premier products, education, technical services, marketing and sales support, the Oracle partner Network provides partners with the resources they need to be successful in today's economy. Oracle partners are able to offer customers leading-edge solutions backed by Oracle's position as the world's largest enterprise software company. Oracle Certified Partners receive a higher level of service, support, training and Oracle Certification.
