FOR IMMEDIATE RELEASE

Harbinger Consulting Group Hires New Senior Client Manager

Minneapolis, MN – April 22, 2010-- Harbinger Consulting Group (HCG), a leader in Oracle's Hyperion Essbase training and consulting, recently hired Tim Buchman as Senior Account Manager. Mr. Buchman's role will primarily be focused on sales and business solutions that specialize in Oracle/Hyperion's suite of products and services.

"As our company continues to expand, we need proven and seasoned professionals like Tim to help deliver the quality that our customers have come to expect" said Dave Nolby, HCG's Executive Officer. "We are excited to have Tim join our team. His extensive experience and can-do attitude will be a great addition to our organization."

Buchman comes to HCG with over 15 years of business development and sales experience. Most recently, Buchman was a Senior Account Manager for IT Convergence as well as Sales and Business Development roles with Oracle Corporation.

About HCG

The Harbinger Consulting Group (HCG) is a leading full-service business intelligence solutions provider, specializing in Oracle Hyperion consulting, training, staff augmentation, application development, and software resale services. Whether seeking solutions for strategic business intelligence or enterprise performance management, HCG is one of the best in the industry. HCG is located in Minneapolis, Minnesota, and is one of the few companies who can legitimately offer full-scale solutions customized to fit customers' needs.
